Dear Mr. Hedrick,

This letter is concerning the septic tank system on the property of Mr. Doug Hullett, located in Riverwalk Development, section 4, lot 10, tax map #8R-A-1. Duke Power Company has given Mr. Hullett permission to put his septic tank tail lines on our R/W. Mr. Hullett has completed the proper paperwork and it is being processed in our offices, however, this could be very time-consuming.

In order to avoid any further delays for Mr. Hullett, I am sending this letter to you as proof that Duke Power Company has given permission for these tail lines to be placed on our R/W. A notorized letter will be mailed to you at a later date.

If you have any further questions or concerns, please call me at 336-526-2574.

Sincerely,

Sam Simmons
