Conner - Series 150

With its two front-facing gables and inviting porch, the Conner expresses a romantic spirit while offering outstanding livability throughout. A spacious living room inside the front entry flows easily into the dining/kitchen area to create a cordial atmosphere for family activities. Here are some other special features to be found:

- French doors open to the back deck for fair-weather outdoor meals & relaxation
- Generous pantry near the kitchen
- Washer/dryer closet is conveniently located and minimizes laundry noise
- Spacious master bedroom has a pleasing triple window and includes a wide closet and a private full bath
- Another full bath and a linen closet are near bedrooms 2 and 3
- One-car garage with interior access and a door to the side yard
- Another triple window in bedroom 2

Move Front Door To middle?
