Subject: FW: Boathouse at 121 Holly Pond Lane

26 Jan. 2015

From: William Milligan

To: Iredell County Development Services Attention: Faye Wagoner

Subject: 121 Holly Pond Lane Parcel # 4614754294 Lot # 278

Dear Faye, it has been brought to my attention that the county believes that the boathouse located on my property is a single family residence. This could not be further from the truth and I am not sure where this assumption came from. This very small structure has no bedroom, no bathroom and has never been used as a single family residence. The structure does have a sink which is primarily used for cleaning fish. I understand my buyer Steve Wilkinson is applying for a building permit for a single family residence on this property. Please do not let the existence of this structure hold up this process. The boathouse is not and never was a single family residence.

Sincerely,

William D. Milligan
