Address of Property: 81 Tuscarora Trail

This permit is issued subject to the requirements as set forth in the Mecklenburg County Board of Health Regulations governing Individual Septic Tank Systems and to the following special conditions or modifications. A notification must be given to this office at least 24 hours before the date this work is to be started. A notification must be given to this office when the work is completed and ready for inspection. Failure to notify this office at any of the above mentioned times will result in revocation of this permit. Any system constructed under this permit may be inspected by the Health Department at any reasonable time during construction and thereafter. Any violation of the Mecklenburg County Board of Health Regulations governing Individual Septic Tank Systems shall be cause for revocation of this permit. Directions for using system can be obtained from this office and should be followed. Any new system installed to replace an existing system which is being altered or repaired must be put in operation whenever sanitary facilities of the building served are used.

Comments: Aeration; set 2½' x 7' x 4½' Fore
