LOCATION

All requirements as set forth in the Rules and Regulations of the Mecklenburg County Board of Health governing the construction and operation of individual sewage disposal systems must be complied with from the date of this granting. Any deviation from these requirements must be approved in writing by the Environmental Health Division. Failure to comply with these requirements will result in the revocation of this permit and may result in legal action being taken against the violator. Any variance granted or any order rendered under the provisions of the Mecklenburg County Board of Health governing the construction and operation of individual sewage disposal systems must be complied with.

Issued by

Environmentalist

Construction of a new system must be signed by the division or a representative of the Division in order to be valid. Only the signature of the Environmentalist issuing an original or existing system is being altered or repaired.
