LAKE NORMAN SEWER & SEPTIC

Contract for Inspections of On-Site Wastewater Systems (Type IV & V)

This Contract is entered into this __17TH____ day of OCTOBER 2017_____ by and between Lake Norman Sewer and Septic Services, LLC, a full service provider and a North Carolina company of Lincoln County, North Carolina (hereinafter the "ORC" or Operator in Responsible Charge) and KATHARINA HETTIARACHCHI.

Preamble

The ORC is contracting with The Owner to provide inspection services as described on Attachment A for the fees or charges also shown in Attachment A.

The Owner owns or controls the property upon which a ground absorption sewage treatment system ("System") is installed, such System being designated as a type II, III, IV or V system under the Rules for Sanitary Sewage Collection. Treatment and Disposal found at 15A NC Admin. Code 18A.1900 et seq.; and 15A NC Admin. Code 18A.1961 requires that a condition of the Operation Permit for Type IV & V systems be that a properly executed inspection contract between the System Owner and a management entity shall be in effect for as long as the System is in use. The ORC is a management entity which employs certified operators of a type authorized by 15A NC Admin. Code 18a.1961 to manage and inspect type II, III, IV and V systems.

In consideration of the premises and of the mutual covenants and promises contained in the Agreement, it is hereby agreed by and between the Owner and the ORC as stipulated below.

Conditions of the Contract

A. The ORC, in consideration of the payment by the Owner as set out in the schedule of services and charges in Attachment A, incorporated herein, agrees:

1. To provide the services set out in Attachment A according to the minimum schedule of inspections/services required by regulations for the lots or parcels set out in Attachment B.
2. To report results of the inspections to the local environmental regulatory agency having jurisdiction as required by applicable laws or regulations.
3. If inspections indicate the need for system repairs:
   a. to notify the local environmental regulatory agency within 48 hours.
   b. to give notice to the Owner of needed repairs and if the necessary repairs are outside the scope of the routine maintenance described in the Maintenance Agreement, then the Owner may request the ORC to provide an estimate. At the authorization of the Owner the ORC will perform the necessary repairs at the ORC's then-prevailing charges for services and materials.
4. If the ORC's services are terminated, the ORC will notify the local environmental regulatory agency within 48 hours.

B. The Owner, in consideration of the services performed, agrees:

1. To pay the ORC for its services according to the schedule of charges as set out in the Maintenance Agreement.
2. Within 30 days of receipt of notice of repairs under A (3) above, the Owner(s) must provide proof that repairs have been performed by a licensed or qualified entity and the system is functioning properly or request and authorize the ORC to complete the needed repairs.
3. To notify the ORC promptly of any emergency or malfunction known to it which may violate environmental, health or other laws and regulations and to authorize immediate repair as necessary to restore the system to proper function and operation.

4. To use reasonable efforts to provide and to maintain at all times, such access to the system as is reasonably necessary for the ORC to comply with its obligations under this Agreement.
