COMMENTS: Site presently contains 2 bedroom MH (1971 mod.). There is only one area on site that had enough soil material (barely over 24") that presently could accommodate an LPP w/ very little if any Repair area. This area is shown on back but starts at left side boundary 50' off rd and extends across 75' x 160' (~12,000 sf plus repair ≈ 5000 = 17,000 sf)
