FIRST FLOOR

European stylings and beautiful windows present a lovely facade. Inside, a grand entry reveals a modern floor plan that fits today's family and your busy lifestyle. Elegant ceiling treatments throughout bring splendor to every room in the home. The great room soars with a vaulted beamed ceiling for vintage appeal. A lateral fireplace allows for sweeping rear views; French doors provide access to the lanai. The open dining room leads to a spacious country kitchen, adorned with a charming bayed nook. The first-floor master suite is a dream come true; a bayed window and a whirlpool tub set in a turret are exquisite touches. French doors lead to a private lanai. Upstairs, two generous bedrooms share a full bath and deck access. A bonus room with a full bath can be finished as your needs change.
