

True French Provincial Features Four Bedrooms

No. 90408

This French Provincial design features a master suite with a spacious deluxe bath that includes a garden tub, shower, linen closet, double vanity and large walk-in closets share a second compartmentalized bath. Living and dining rooms are located to the side of the formal foyer. Both the family room, with fireplace and double doors opening onto a screened-in back porch, and a U-shaped kitchen, with an island counter open to the breakfast bay, allow more casual living. Fixed stairs in the family room provide access to attic storage above. Also included is a utility room with a half bath.

Area — 2,968 sq. ft.

one bedroom to be eliminated / converted into office without closet. If Building Insp will not accept unless house plan redrawn.
