Charm and character abound from the inviting exterior of Catawba Ridge with its thoughtful combination of stone and cedar shakes. A cozy front porch graces the front of the home.

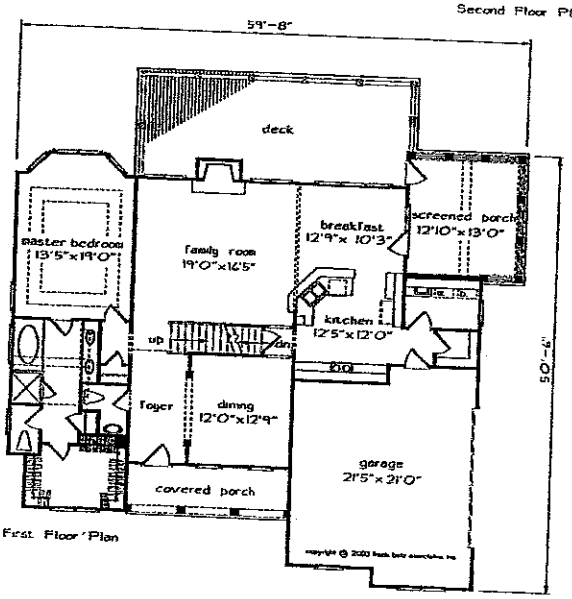

Inside, the kitchen, breakfast area, and family room are conveniently grouped together for easy interaction. Just off the breakfast area, is a comfy screened porch - the perfect spot to end a busy day. The master bedroom encompasses the entire left wing of the home giving the homeowner added privacy.

Flexible space is incorporated on the upper level, ideal for a fourth bedroom, play area, or exercise room.
