STATE OF NORTH CAROLINA
COUNTY OF Iredel

STEVENS TRUCKING
& SEPTIC TANK SERVICE CONTRACT

This Contract is entered into this 17th day of November, 2016 by and between Stevens Septic, a North Carolina Corporation/Company of Union County, North Carolina (hereinafter the "ORC" or Operator in Responsible Charge) and True Home (hereinafter "The Owner").

Property Address 111 Commodore Loop Mooresville NC

Preamble

The ORC is contracting with The Owner to provide inspection services as described on Page 1 for the fees or charges also shown in Page 1.

The Owner owns or controls the property upon which a ground absorption sewage treatment system ("System") is installed, such System being designated as a type II. III. IV or V system under the Rules for Sanitary Sewage Collection. Treatment and Disposal found at 15A N.C. Admin. Code 18A. 1900 et seq.; and 15A N.C. Admin. Code 18A. 1961 requires that a condition of the Operation Permit for Type IV & V systems be that a properly executed inspection contract between the System Owner and a management entity shall be in effect for as long as the System is in use. The ORC is a management entity which employs certified operators of a type authorized by 15A N.C. Admin. Code 18a. 1961 to manage and inspect type II. III. IV, and V systems.

In consideration of the premises and of the mutual covenants and promises contained in this Agreement, it is hereby agreed by and between the Owner and the ORC as stipulated below.

Conditions of the Contract

A. The ORC. in consideration of the payment by the Owner as set out in the schedule of services and charges in Attachment A, incorporated herein, agrees:

1) To provide the services set out in Page 1 according to the minimum schedule of inspections/services required by regulations for the lots or parcels set above.

2) To report results of the inspections to the local environmental regulatory agency having jurisdiction as required by applicable laws or regulations.

3) If inspections indicated the need for System repairs:

a) To notify the local environmental regulatory agency within 48 hours.
b) To give notice to the "Owner" of needed repairs, and if the necessary repairs are outside the scope of the routine maintenance described in Page 1 then The Owner may request the ORC to provide an estimate. At the authorization of The Owner the ORC will perform the necessary repairs at the ORC's then-prevailing charges for services and materials.

4) If the ORC's services are terminated, the ORC will notify the local environmental regulatory agency within 48 hours.

B. The Owner, in consideration of the services performed, agrees:

1) To pay the ORC for its services according to the schedule of charges as set out in Page 1.

2) Within 30 days of receipt of notice of repairs under A (3) above, the Owner(s) must provide proof that repairs have been performed by a licensed or qualified entity and the System is functioning properly or request and authorize the ORC to complete the needed repairs.

3) To notify the ORC promptly of any emergency or malfunction known to it which may violate environmental, health, or other laws and regulations, and to authorize immediate repair as necessary to restore the System to proper function and operation.

4) To use reasonable efforts to provide and to maintain at all times, such access to the System as is reasonably necessary for the ORC to comply with its obligations under this Agreement.

C. **Terms of the Agreement**

1) This Agreement shall be effective for one year from the date of this contract, and will be automatically renewed from year-to-year thereafter, unless written notice of termination and non-renewal is given to the party not less than 60 days prior to the end of the then current annual contract year.

2) The real property to be serviced under this contract is listed on Page 2.

3) This Agreement automatically terminates if the Operation Permit for the system is revoked and all appeals of the revocation are exhausted or time for making an appeal has passed.

4) The parties may terminate at the end of the then current term by consent of each party or by not less than 60 days written notice to the party prior to the end of the then current contract year, and not less than 30 days written notice to the local environmental regulatory agency.

5) This Agreement may be terminated for cause for breach which remains unremedied after 15 days written notice to the defaulting party.
