Zoning Permit Comments: shall be located to comply with minimum setbacks requirements for accessory buildings and structures of the district in which located. Pools which are not an integral part of the principal building shall be located at least the minimum distanc from the principal building necessary to comply with N. C. Building Code requirements. Pools shall be protected by a fence of equal enclosure, a minimum of four feet in height, and equipped with self-closing and positive self-latching gate to provide with hardware for permanent locking.

until a grading permit has been issued. No land shall be graded for the purpose of construction of a residential dwelling or a nonresidential principal structure, until a grading permit has been issued by the County. The County shall collect such fees for the issuance of grading permits as are authorized by the fee schedule adopted by the Board of Commissioners.

In addition to obtaining the permit; the owner, building contractor, or other responsible party shall:

A. Control run-off as to not damage or adversely impact adjoining properties by providing silt fencing and stabilization or utilizing Low Impact Design (drainage swales, functional landscaping, etc.); and
B. Refrain from altering the general direction of the natural drainage flow.
C. If land clearing is needed for septic tank testing, then erosion control measures may be needed. Contact Erosion Control Department for further assistance.
