BENFIELD OUTDOOR SERVICES & SOLUTIONS

Additional Notes:

Disclaimers:

Landscaping-
Due to the nature of new SOD, grass seed, new shrubs, we cannot guarantee that product will last any given duration. We have no control over weather, local bugs, water and nutrition source once we leave.
-If shrubs products die or develop issues we will investigate to determine the underlying cause.

Septic-
Due to the nature of septic systems and concrete corrosion, lids have been known to break or fall apart during inspections and we're not financially responsible for the lid replacement.
PERC Test are not a determination that a property is suitable for new construction only a permit from the county determines its feasibility.
Counties may require additional soil evaluation that require back hoe or tractor, this is an additional cost.

Outdoor Construction-
Materials and time may vary, and prices above is an estimate (Most quotes are within 10%). We have no control over weather and unknown conditions.

DYI Projects-
The estimated, price and time will vary and savings is based on how much the client contributes.
