Rock Solid

Stone facing adds distinction to an already gracious exterior. The master suite boasts an elegant tray ceiling and a wall of windows so you can lie in bed and gaze outside. A cunning corner fireplace puts the focus on the vaulted family room. The galley kitchen ends in a bright breakfast area and boasts a versatile wet bar/serving bar. The practical mud room makes for less mopping and vacuuming.

Specs
Total: 1,429 sq. ft.
3 bedrooms
2 baths
Dimensions: 48' x 53'
