Dear Ms. Melville:

Our office is assisting Old Republic National Title Company related to a claim which involves septic improvements on the above referenced lots. Please provide copies to me of all applications, permits and/or any other documents in your files for the four (4) referenced lots. If there is a charge for these copies kindly call and advise (or you may send an email to my email address at jdg2@bellsouth.net) and I will send you a check for same.
