DISCLAIMER
The purchaser of this plan is responsible for compliance with all local building codes and for ensuring that the plan is correctly related to construction lot(s) site conditions. The purchaser should consult with a local architect or engineer regarding these matters.

Before construction begins, the purchaser should thoroughly review this plan with the construction crew, all dimensions are subject to be advised of the plan any errors, omissions, or questions for clarification.

Before construction begins, the purchaser should verify all structural elements for this plan and site with a local engineer.

The sizes, size, reinforcement and depth of all concrete footings must be determined by local, soil conditions and applicable sections of construction. The bottom of all footings should extend below frostline. Before construction begins, the purchaser or contractor should verify the design with a local engineer.

The purchaser of these plans understands all risks associated with adapting the plan to local laws affected by regional variations in climate, local site conditions, design needs and building codes. Neither Southern Living nor the architect of this plans shall be held responsible for adapting this plan to local site conditions, design changes, construction errors or methods, costs, workmanship, quality of materials or equipment utilized in the construction.

The purchaser is granted the right to build only one structure from this plan for personal use. The right remains to the original purchaser only and is not transferable.
