Sam - If house faces 801 + driveway to garage is on Sardis (somewhere) - will you have room for a conventional system?

According to Erskine Smith, Mooresville - not enough room for structure 30x60 facing Sardis. Have to turn to face ~~Sardis~~ 801. - If property is within 1 mile perimeter of MRSVL, or Zoning Clearance needed before Burnes drives to Statesville for Permit — (over)
