

High Elegance

- Corner quoins, copper accents and gorgeous windows take the facade of this home to the height of elegance.
- Inside, the sidelighted foyer leads to the formal living and dining rooms. In the living room, a vaulted ceiling and a Palladian window create the perfect atmosphere for elegant entertaining.
- The open kitchen's snack bar services the breakfast nook. Nearby, the vaulted family room sports a big fireplace and access to a backyard deck.
- Just off the family room, two good-sized bedrooms share a split bath. One room features deck access.
- The master bedroom flaunts private deck access, a walk-in closet and a morning porch. The master bath shows off a plant shelf, a garden tub and a separate shower. Vaulted ceilings crown the master bedroom and bath.
- A bonus room above the garage offers expansion possibilities.
