Mooresville NC 28115

Dear Mr. Burgess:

Crescent Electric Membership Corporation (CEMC) rights of ways are not restrictive to the installation of drain fields of waste treatment systems. Placement of any portion of the system should be kept a minimum of ten (10) feet from CEMC facilities such as poles, etc.

Hopefully, this letter will serve the purpose you desire. If we can be of further assistance, feel free to contact our office.

Yours truly,
Robert Fisher
