Description

This fabulous French-style one-story features a large open plan family room, morning room and kitchen area with adjacent living room, all of which look out onto a covered deck. The galley kitchen contains a center work island and snack bar. A good-sized pantry is snuggled into a corner, while the utility room is just down the hall. A bayed master bedroom suite with private bath is set off to one side, while three additional bedrooms are clustered on the opposite side of the home. Reproducible sets of this plan are not available in the state of Texas.
