A Southern classic, this lovely home will become a treasured place to call your own. The entry makes a grand impression; double doors open to the foyer where French doors reveal a study. To the right, the dining room is designed for entertaining, with easy access to the angled serving-bar kitchen. A bayed breakfast nook leads into the hearth-warmed family room. Tucked to the rear, a bedroom with a full bath makes an ideal guest room. The master suite is upstairs and enjoys a private vaulted spa bath. Two additional bedrooms reside on this level and join a full bath and an optional bonus room, perfect as a kid's retreat, home gym or crafts room.
