Garage/Apartment Plan

Plan No. HYG-GR-156

This deluxe 2-bedroom apartment with 1,560 square feet makes full use of the space over a commodious 5-car garage. Popular features include a luxurious master suite and a floor-thru living room--both with access to a wide covered porch. The garage level features 9' high garage doors and includes a partitioned area suitable for a workshop. The garage is approximately 27'6" high from the highest point of the roof to grade.
