Design 92560

COVERED FRONT AND REAR PORCHES

If you are looking for traditional country styling, this is the home for you. The dining room is to the right of the foyer and includes direct access to the kitchen and built-in cabinets. The kitchen is made more efficient by the peninsula counter/eating bar extending counter space and provides a perfect place for meals on the go. The den is enhanced by a vaulted ceiling and a lovely fireplace. The master suite is tucked into a private corner and pampered by a five-piece master bath. The two additional bedrooms are on the opposite side of the home and share the full bath located in the hall. This plan is available with a crawl space or slab foundation. Please specify when ordering.

Main floor — 1,660 sq. ft.
Garage — 544 sq. ft.

Total living area: 1,660 sq. ft.
