With three bedrooms and 1,929 square feet, this plan brings together the charm of a lakeside cottage and the comfort of a home in town.

Architects Randall K. McClain and Donald A. Gardner of Donald A. Gardner Architects, Inc., in Greenville, South Carolina, suggest materials and building components that reflect the mix of coun and city styles. Walls are clad in woo and handcrafted touches of trim and mo ing at the doors and windows enhance exterior appeal. Interiors flow with roomy and comfortable arrangement open spaces. A bonus room upstairs lows for future expansion.
