

The Oak Grove

A sunny, clerestory dormer gives a great first impression of this cozy home. The open great room, dining, and kitchen are unified under a shared cathedral ceiling. The adjoining deck provides extra living or entertaining space, while the front bedroom is expanded by a cathedral ceiling that shows off a double window with circletop.

The master suite is highlighted by a cathedral ceiling and includes a private bath with garden tub, double bowl vanity, and walk-in closet. A skylit bonus room above the garage offers flexibility and opportunities for growth.
