

Family-Style Leisure Living

- This handsome ranch-style home features a floor plan that is great for family living and entertaining.
- In front, the front porch, the formal areas flow together for a dramatic impact. The living room is enhanced by a fireplace and a 15-ft. sloped ceiling. A patio door in the dining room extends activities to the outdoors.
- The efficient U-shaped kitchen opens to the dining room and offers a pantry, a window above the sink and abundant counter space.
- A good-sized utility room with convenient laundry facilities opens to the carport. This area also includes a large storage room and disappearing stairs to even more storage space.
- Three bedrooms and two baths occupy the sleeping wing. The master suite features a large walk-in closet and a private bath.
- The two remaining bedrooms are well proportioned and share a hall bath. Storage space is well accounted for here as well, with two linen closets and a coat closet in the bedroom hall.
