

Affordable Pleasures

- This compact home comes with an affordable price tag and plenty of amenities usually found only in much larger, and more costly, homes.
- An elegant porch with stately columns framing an oversized Palladian window will impress guests and passersby.
- Inside, the foyer looks into the living room at the rear of the home. A corner fireplace adds a comforting glow to all gatherings, while a counter provides a handy place to serve snacks.
- The walk-through kitchen is located between the dining room and the casual morning room. A cheery bay embraces the morning room; a beautiful French door opens to a backyard patio.
- An incredible master bath with a dual-sink vanity, two walk-in closets and a separate tub and shower highlights the master suite nearby.

All of the rooms mentioned above have 10-ft. ceilings.

Across the home, two spacious bedrooms with ample closet space share a full hall bath.
