Troutman, NC 28166

Dear Mr. Dowens:

I have a contract for one year to maintain your septic system as a required condition of the permit issued by the Iredell County Health Department. It is now time to renew this contract for the inspection of your on-site wastewater system.

If you wish to retain my services, enclosed is a new contract renewal form. Please sign and date. Return this form with your payment in the enclosed stamped envelope.

If the contract is not renewed please notify me because Iredell County Health Department must be notified that I am no longer the operator of your system. Please sign the Non Renewal Form and return in the enclosed envelope. A copy will be sent to the Iredell County Health Department. Your new operator will need to send Iredell County Health Department a copy of the new contract. Any fines and/or fees imposed by The State of North Carolina or the Iredell County Health Department for non-compliance is the responsibility of the property owner.

If you have any questions, please contact me. Thank you for your business.

Sincerely,

Gary W. Simmons
