9. Place of Agreement. This Agreement and any questions concern its validity. Construction or performance shall be governed by the laws of the State of North Carolina, notwithstanding the place of execution, or the order in which the signatures of the Parties are affected.

10. Entire Agreement and Amendment. This Agreement supersedes all prior negotiations, agreements and understandings between the Parties with respect to the subject matter hereof and constitutes the entire Agreement between the Parties with respect to the subject matter hereof. To be effective, any amendment or modification to this Agreement must be in writing and must be signed by the Parties.

11. Severability. In the event that any provisions of this Agreement shall, for any reason, be determined to be invalid, illegal or unenforceable in any respect, the Parties shall negotiate in good faith and agree to such amendments, modifications or supplements of or to this Agreement or such other appropriate actions as shall, to the maximum practicable in light of such determination, implement and give effect to the intentions of the parties as reflected in this Agreement, and the other provisions of this Agreement shall, as so amended, modified, supplemented or otherwise affected b y such actions, remain in full force and effect.

IN TESTIMONY WHEREOF, the Parties hereto have executed this Agreement in duplicate, one of which is retained by each of the Parties.

AGREEMENT FOR INSPECTIONS OF ON-SITE WASTEWATER SYSTEM

This Agreement is entered into this 12th day of MARCH, 2007, by and between PAUL DE RATIER (hereinafter the "Owner") and Xtreme Wastewater Management of Newton, NC (hereinafter the "Contractor").

WITNESSETH

WHEREAS, the Owner owns or controls the property upon which a ground absorption sewage treatment system (hereinafter "system") is installed, such system being designated a Type IVA System under the Rules for Sanitary Sewage Collection, Treatment and Disposal found at 15A NC Administrative Code 18A.1900 et seq; and

WHEREAS, 15A NC Administrative Code 18A.1961 requires a contract to be executed between the system owner and a management entity prior to the issuance of an Operation Permit for said system; and

WHEREAS, 15A NC Administrative Code 18A.1961 requires that a condition of the Operation Permit for said system be that a property executed contract between the system owner and a management entity shall be in effect for as long as the system is in use; and

WHEREAS, the Contractor is a management entity of a type authorized by 15A NC Administrative Code18A. 1961 to manage a Type IVA System.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and promises contained in this Agreement, it is hereby agreed by and between the Owner and the Contractor as stipulated below.

1. The Contractor's Obligations. The Contractor shall perform the following services on the Owner's system located at 127 WINDING CREEK DRIVE TWIN CREEK SUBD LOT 28.
   a. The contractor shall inspect the system at least at the frequency required in Table V (b) of 15A NC Administrative Code 18A.1961 for a Type IVA System.
   b. The Contractor shall perform the following routine maintenance procedures in accordance with the conditions of the Operation Permit.
      1. Inspect the structural integrity and maintain all of the physical and mechanical components of the system.
      2. Inspect the performance and condition of the drainfield.
      3. Flush and clean the laterals of the system.
      4. Check and set pressures in the system.
      5. Check and adjust pump delivery rate of the system.
      6. Clean septic tank filter if applicable and accessible.
      7. Perform any other requirements of the Operation Permit.
   c. The Contractor shall report the results of its inspections to the local health department at the frequency specified in Table V (b) NC Administrative Code 18A.1961(b) for a Type IVA System.
   d. If an inspection indicates the need for system repairs, the Contractor shall notify the local health department within 48 hours of the inspection.
   e. The Contractor shall notify the Owner of needed repairs which are outside of the scope of routine maintenance described in subparagraph (b) above. The Contractor shall perform necessary repairs to the system that require the use of hand tools only at the request of the Owner and shall be entitled to payment therefore at the

Contractor's normal charge and materials. The Contractor shall not perform repairs that require the use of heavy equipment, electrical license or plumbing license.

2. The Owner's Obligations.

   a. The Owner shall pay to the Contractor upon signing this contract, the sum of $ 200.00 for the first year of periodic inspections, routine maintenance procedures and periodic reports. The annual fee may be renewed at the end of each 12-month period. The annual fee may be amended upon thirty (30) days advanced notice to the Owner but may not increase more than 10 percent per year. The Owner shall pay in the following methods:

      To be paid at the time of the signing of this agreement and to be paid before the second scheduled inspection of the calendar year.

   b. The Owner shall pay to the Contractor his normal and customary fees for any work performed on the system ($35.00 per hour, with minimum of one hour, plus cost of materials) as a result of nonscheduled service or maintenance calls. All fees for nonscheduled service or maintenance are due and payable within thirty (30) days of billing. Payments due to the Contractor and unpaid by the Owner after thirty (30) days shall accrue interest from the due date until paid at a rate of 1.5 percent per month.
   c. The Owner shall keep the area of the septic system drain field properly mowed and protected from traffic.
   d. Within five days of receipt of notice of needed repairs pursuant to paragraph 1.e. above, the Owner shall request the Contractor to complete needed repairs or shall provide to the Contractor evidence that the needed repairs were satisfactorily completed by another entity.
   e. The Owner shall provide the Contactor with such access to the system as is reasonably necessary for the Contractor to comply with the terms of this Agreement.

3. Term. This Agreement shall remain in effect until terminated.

   a. Automatic Termination
      This agreement shall automatically terminate if the Operation Permit for the system is revoked and all appeals of the revocation are exhausted or time for taking an appeal has passed.
   b. Termination by Mutual Consent
      The Parties may mutually agree to terminate this Agreement by giving written notice of termination by mutual consent to the local health department thirty (30) days in advance of the date of termination.
   c. Termination by the Owner
      The Owner may terminate this Agreement by giving notice to the Contractor and to the local health department thirty (30) days in advance of the date of termination.
   d. Termination by the Contractor

      1. The Contractor may terminate this Agreement for cause by giving written notice of intent to terminate this Agreement to the Owner and to the local health department thirty (30) days in advance of the date of termination. Cause will be defined as:

         a. Failure to remit payment for any bill for services performed under and in accordance with this Agreement if said bill is not paid within thirty (30) days of receipt by the Owner of the bill. If said bill is paid after notice of termination is given but prior to the date of termination of this Agreement, this Agreement shall continue in effect; or

b. Failure of the Owner to provide to the Contractor authorization to complete needed repairs or satisfactory evidence that needed repairs to the system were completed by another entity within five (5) days of receipt of notice of needed repairs pursuant to paragraph I.e. above. If said authorization to complete needed repairs or evidence of completion of said repairs is provided after notice of termination is given but prior to the date of termination of this Agreement, this Agreement shall continue in effect.
c. Failure of the Owner to allow the Contractor such access to the system as is reasonably necessary in order for the Contactor to comply with the terms of this Agreement.

4. Assignment

a. Assignment by the Owner. The Owner shall notify the Contractor of the name and address of any purchaser of the property on which the system is located. The Owner shall also notify any purchase of the property on which the system is located of the existence of this Agreement and shall assign all rights and duties under this Agreement to said purchase.
b. Assignment by the Contractor. The Contractor may assign its rights and duties under this Agreement to another management entity, which is qualified pursuant to 15A, NC Administrative Code 18A, 1961 to manage Type IVA System upon thirty (30) days written notice to the Owner and to the local health department.

5. Representations. The Parties represent to each other that each has the power, authority and legal right to enter into and perform its obligations as set forth in this Agreement.

6. Regulatory amendments. References to this Agreement to sections of the Administrative Code shall include such rules as they may be amended in the future.

7. No Implied Waiver. The Waiver by either Party of the default or a breach by the other Party of any provision of this Agreement shall not operate or be construed to operate as a waiver of any subsequent default or reach. The failure at any time of either Party to enforce any provision of this Agreement (a) shall not be construed to be a waiver of such provisions, or of any other provision; and (b) shall not in any way affect the validity of this Agreement, or any part of this Agreement, or the right of either Party thereafter to enforce each and every provision of this Agreement
