David - We would like to put this house on M666, I'm sure taking
you the permit, let us know if this is OK with you. Thanks Ginger

Ebbtide Series 100

The Ebbtide is a transitional home plan designed with your comfort in mind. The features of this cozy 1-&-1/2 story abode make it appealing inside and out.

- Front elevation has an interesting roof line with double gables, a dormer, and a sheltered front stoop.
- A large deck at the back of the house promises lots of leisure-time enjoyment.
- Spacious living room includes a fireplace and beautiful natural through this room's triple windows.
- The dining room offers utility and convenience with the open kitchen nearby.
- The sizable master bedroom comes with its own private bath and plenty of closet space.
- Upstairs bedrooms 2 & 3 have easy access to a full bath and offer ample space for the growing family.
- Other amenities include a half bath downstairs, outdoor storage, and a side porch off the dining room.
