A CLASSIC COUNTRY EXTERIOR ENRICHES THE appearance of this economical home, and its front porch and two skylit back porches encourage weekend relaxation. The great room features a cathedral ceiling and a fireplace with adjacent built-ins. The master suite enjoys a double-door entry, back-porch access, and a tray ceiling. The master bath has a garden tub set in the corner, a separate shower, twin vanities, and a skylight. Loads of storage, an open floor plan, and walls of windows make this three-bedroom plan very livable.
