One of Our Grandest Designs, Now Even Grander

Based on one of our grandest Ranch designs, the all-new Legacy Cape features the same open and spacious layout as the popular Legacy Ranch, now with the unrivaled flexibility and added living area of a timeless Cape design. From the moment you enter, The Legacy's expansive Great Room makes a dramatic statement with its large fireplace as a focal point. Off the Great Room, the island Kitchen is a dream come true for both experienced and casual chefs alike, with plenty of counter space above and below, and an abundance of preparation areas. Through the kitchen, a cozy Morning Room provides a sunny place to start the day or enjoy a casual meal. The formal Dining Room is just the thing for entertaining – or use this versatile space as your private Den. Two incredibly spacious Bedrooms have their own walk-in closets, while sharing a full Bath. The elegant Master Bedroom features a Master Bath with dual sinks, whirlpool tub and separate shower, as well as its own large walk-in closet. A thoughtful half Bath rounds out the lower level, while an unfinished upper level awaits your custom touch.
