

Wish You Were Here?

- This home's inviting front porch and welcoming interior is enough to make anyone wish for the sweet life within.
- With an air of mystery, the foyer allows guests a glimpse of the elegant dining room over a half-wall to the right.
- Ahead, the open living room leaves no room for guessing; its prominent fireplace practically begs you to pull up a chair and relax in the warmth.
- A serving bar brings a casual tone to your gatherings, and joins the living room to the kitchen. Here, you'll find vast counter space and an adjoining breakfast nook that should slow you down on those busy weekday mornings!
- Corner windows spruce up the master bedroom, which provides a pleasant oasis when the cares of your world press in. Past two roomy closets, a private bath awaits to spoil you, complete with a whirlpool tub, a separate shower and a dual-sink vanity.
