SECOND FLOOR PLAN

FIRST FLOOR PLAN

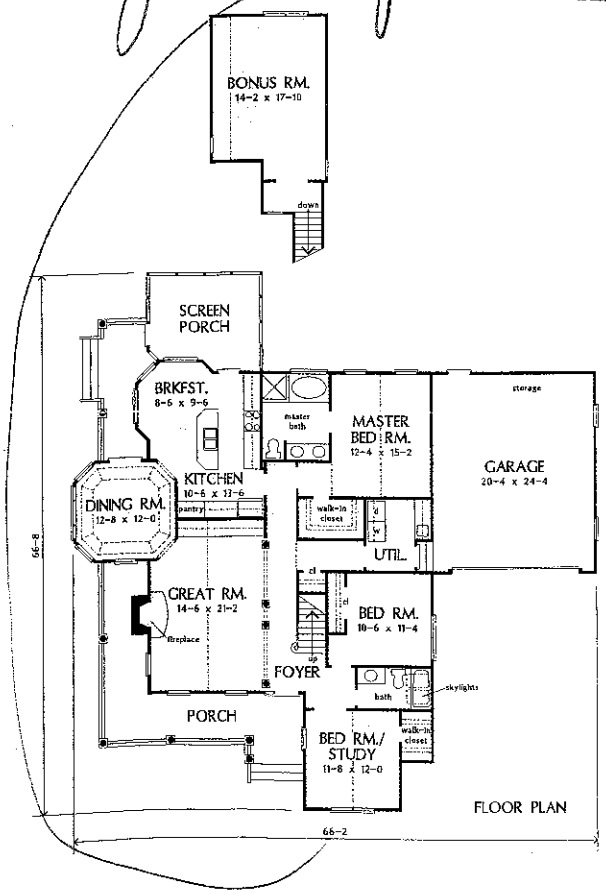

Total living: 3163 s.f.
First floor: 2086 s.f. / Second floor: 1077 s.f.
Bonus room: 403 s.f. / 4 Bedrooms, 3-1/2 Baths
Price Category E
Crawl space foundation option only.

Ready, Set, Pre-Sell!

This beautiful farmhouse with triple gables and twin bays adds just the right amount of country style to any Parade. The master suite is quietly tucked away downstairs with no bedrooms directly above, and the cook of the family will love the spacious kitchen. The bonus room is easily accessible from the first floor or from a back staircase leading to the second floor where three large bedrooms share two full baths.

No One Can Build Just One

You won't be able to build this plan fast enough once your local growing families get wind of this stunning home. An octagon-shaped dining room and cathedral ceilings heighten the appeal, while a bonus room upstairs offers growth and flexibility.
