Multiple gables and a cozy front porch invite you to this enchanting one-story home.

Features:

- Great Room: This bright and cheery room features a sloped ceiling and fireplace. The great room is designed for convenience, with easy access to the foyer and dining area, creating the look and feel of a home much larger than its actual size.
- Dining Area: Adjacent to the great room, this dining area has multiple windows and angles that add light and dimension.
- Kitchen: This spacious kitchen is designed for easy work patterns with an abundance of counter and cabinet space. It also features a snack bar.
- Master Bedroom: Designed for step-saving convenience, this master bedroom includes a compartmented bath, double-bowl vanity, and large walk-in closet.
