RE: Expansion of Subsurface Sewage Effluent Disposal System
Tomlin Mill One Stop, 1025 Tomlin Mill Road
Statesville, Iredell County, North Carolina

Dear Mr. Henderson:

ENGINEERS CERTIFICATION

I, **Donald L. Munday**, as a duly registered Professional Engineer in the State of North Carolina, having been authorized to observe periodically the construction of the referenced project, an expansion of the Subsurface Sewage Effluent Disposal System; Tomlin Mill One Stop, Statesville, Iredell County, NC, hereby state that, to the best of my abilities, due care and diligence was used in the observation of the construction such that the construction was observed to be built within substantial compliance and intent of the approved plans and specifications.

It is my understanding, that upon completion of the upfit of the interior of the facility and prior to placing new system into service, the owner will install plantings, bollards or approved alternate form of barrier between the drive/parking area at rear of building and the new grease tank and existing septic tank to prevent vehicular traffic in tank area.

Sincerely,

PIEDMONT DESIGN ASSOCIATES, P.A.

Donald L. Munday, P.E.
