STATE OF NORTH CAROLINA
COUNTY OF

INSPECTION AND MAINENNANCE

This AGREEMENT is made and entered into this 4th day of , August , 2010 by and between Adams Homes AEC LLC (hereinafter the "Owner") and Rowan Septic Tank & Ditching Co., Inc., George Kirkpatrick, (hereinafter the "Contractor").

WITNESSETH

WHEREAS, The Owner owns or controls the property upon which ground absorption sewage treatment System (hereinafter "system") is installed, such system being designated a Type 4 system under the Rules For Sanitary Collection Treatment and Disposal found at 15A N.C. Admin. Code 18A.1900et seq.; and

WHEREAS, 15A N.C. Admin. Code 18A.1961 requires a contract to be executed between the system owner and a management entity prior to issuance of an Operation Permit for said system; and

WHEREAS, 15A N.C. Admin. Code 18A.1961 requires that a condition of the Operation Permit for said system be that a properly executed contract between the system owner and a management entity shall be in effect for as long as the system is in use; and

WHEREAS, the Contractor is a management entity of a type authorized by 15A N.C. Admin. Code 18A.1961 to manage a Type 4 system.

NOW THEREFORE; in consideration of the premises and of the mutual covenants and promises contained in the Agreement, it is hereby agreed by and between the Owner and the Contractor as stipulated below.

1. The Contractor's Obligations: The Contractor shall perform the following on the Owner's system located at #25 Georgia Mills

   a. The Contractor shall inspect the system twice annually. Inspect septic tank for cracks, breaks or other imperfections that would allow leakage of effluent out of the tank or for infiltration of extraneous water into the system.

   b. Check sludge depth annually.

   c. The Contractor will inspect the pump tank for cracks, breaks or other imperfections that would allow leakage of effluent out of the tank or infiltration of extraneous water into the pump tank. It includes an inspection of the riser connection and conduit connections to make sure they are not allowing surface water into the pump tank.

   d. Activate the pump to insure that it is functional.

   e. Inspect and test all float switched to insure that they are functional.

   f. Activate and test all components of the alarm system including high water float, control box, audible and visible alarms.

Note: Any pumping, minor repairs or replacement of system components shall be charged the current and customary fee. This fee will not exceed $200.00 without prior notification to the Owner.

g. The Contractor shall report the result's of it's inspection to the local health department annually.

h. If an inspection indicates the need for major system repairs, the Contractor shall notify the health department within 48 hours of the inspection.

i. The Contractor shall notify the Owner of the needed repairs which are outside the scope of routine maintenance. The Contractor shall perform necessary repairs to the system at the request of the Owner and shall be entitled to payment therefore at the Contractor's normal charge for services and material.

j. The Contractor shall respond to a request for non-scheduled service or maintenance call within 48 hours after receipt of such request.

2. The Owner's Obligations:

a. The Owner shall pay to the Contractor the sum of $200.00 per year for periodic inspections, routine maintenance procedures and periodic reports. The annual fee may be amended upon 60 days advance notice to the Owner but may not be increased more than 10 % per year. The Owner shall pay the Contractor his normal and customary fees for work performed on the system as a result of non-scheduled service or maintenance calls. All fees are due and payable within 30 days of billing. Payments due to the Contractor and unpaid by the Owner after 30 days shall accrue interest from the date due until paid at the rate of 18 % per month.

b. Within 30 days of receipt of notice of needed repairs pursuant I.e. above, the Owner shall request the Contractor to complete needed repairs or shall provide to the Contractor evidence that the needed repairs were satisfactorily completed by another entity.

c. The Owner shall provide the Contractor with such access to the system as is reasonably necessary for the Contractor to comply with the terms of this agreement.

3. Terms: This Agreement shall remain in effect until terminated.

a. Automatic Termination
This Agreement shall automatically terminate if the Operation Permit for the system is revoked and all appeals of the revocation are exhausted or time for making an appeal as passed.

b. Termination by Mutual Consent:
The Parties may mutually agree to terminate this Agreement by giving written notice of termination by mutual consent to the local health department 30 days in advance of the date of termination.

c. Termination by the Owner:
The Owner may terminate this Agreement by giving notice to the Contractor and to the local health department 30 days in advance of the date of termination.

d. Termination by the Contractor:
The Contractor may terminate this Agreement for cause by giving written notice to the local health Department and the Owner 30 days in advance of date of termination. Cause shall be defined as:

Note: Any pumping, minor repairs or replacement of system components shall be charged the current and customary fee. This fee will not exceed $200.00 without prior notification to the Owner.

g. The Contractor shall report the result's of it's inspection to the local health department annually.

h. If an inspection indicates the need for major system repairs, the Contractor shall notify the health department within 48 hours of the inspection.

i. The Contractor shall notify the Owner of the needed repairs which are outside the scope of routine maintenance. The Contractor shall perform necessary repairs to the system at the request of the Owner and shall be entitled to payment therefore at the Contractor's normal charge for services and material.

j. The Contractor shall respond to a request for non-scheduled service or maintenance call within 48 hours after receipt of such request.

2. The Owner's Obligations:

a. The Owner shall pay to the Contractor the sum of $200.00 per year for periodic inspections, routine maintenance procedures and periodic reports. The annual fee may be amended upon 60 days advance notice to the Owner but may not be increased more than 10 % per year. The Owner shall pay the Contractor his normal and customary fees for work performed on the system as a result of non-scheduled service or maintenance calls. All fees are due and payable within 30 days of billing. Payments due to the Contractor and unpaid by the Owner after 30 days shall accrue interest from the date due until paid at the rate of 18 % per month.

b. Within 30 days of receipt of notice of needed repairs pursuant I.e. above, the Owner shall request the Contractor to complete needed repairs or shall provide to the Contractor evidence that the needed repairs were satisfactorily completed by another entity.

c. The Owner shall provide the Contractor with such access to the system as is reasonably necessary for the Contractor to comply with the terms of this agreement.

3. Terms: This Agreement shall remain in effect until terminated.

a. Automatic Termination
This Agreement shall automatically terminate if the Operation Permit for the system is revoked and all appeals of the revocation are exhausted or time for making an appeal as passed.

b. Termination by Mutual Consent:
The Parties may mutually agree to terminate this Agreement by giving written notice of termination by mutual consent to the local health department 30 days in advance of the date of termination.

c. Termination by the Owner:
The Owner may terminate this Agreement by giving notice to the Contractor and to the local health department 30 days in advance of the date of termination.

d. Termination by the Contractor:
The Contractor may terminate this Agreement for cause by giving written notice to the local health Department and the Owner 30 days in advance of dare of termination. Cause shall be defined as:

(a) Failure to remit payment for any bill for services performed under and in accordance with this Agreement if said bill is not paid within 30 days of receipt by the Owner of the bill. If said bill is paid after notice of termination is given but prior to the date of termination of this Agreement, this Agreement shall remain in effect:

(b) Failure of the Owner to provide to the Contractor authorization to complete needed repairs or satisfactory evidence that needed repairs to the system were completed by another entity within 30 days of receipt of notice of needed repairs pursuant to paragraph above. If said authorization to complete needed repairs or evidence of completion of said repairs is provided after notice of termination is given but prior to the date of termination of this Agreement, this Agreement shall continue in effect.

(c) Failure of Owner to allow the Contractor such access to the system as reasonably necessary in order for the Contractor to comply with the terms of this Agreement.

The Contractor may not terminate this Agreement without cause, But may assign its rights and duties under this Agreement in order for the Contractor as provided in paragraph 4, below.

4. Assignment:

a. Assignment by Owner: The Owner shall notify the Contractor of the name and address of any purchaser of property on which the system is located of the existence of this Agreement and shall assign all rights and duties under this Agreement to said purchaser.

b. Assignment by Contractor: The Contractor may assign it's rights and duties under this Agreement to another entity which is qualified pursuant to 15A N.C. Admin. Code 18A.1961 to manage a Type 4 system upon 30 days written notice to the Owner and the local health department.

5. Use of Subcontractor: The Contractor may subcontract with such manufactures, suppliers and contractors as it deems desirable to perform the Contractor's duties under this Agreement. The Contractors shall at all times remain responsible for the performance of and payment for all work performed by all subcontractors.

6. Representation: The Parties represent to each other that each has the power authority and legal right to enter into and perform it's obligations as set foth in this Agreement.

7. Regulatory Amendents: References in this Agreement to sections of the Administrative Code shall include such rules as they may amended in the future.

8. No Implied Waiver: The waiver by either Party of a default or a breach by the other Party of and provision of this Agreement shall not operate or be construed to operate as a waiver of any subsequent default or breach. The failure at any time of either Party to enforce and provision of this Agreement:

a. Shall be construed to be a waiver of such provisions, of any other provisions.

b. Shall not in any other way affect the validity of this Agreement, Or and part of this Agreement, or the right of either Party thereafter, to enforce each and every provision of this Agreement.

9. Notice: Every notice required under this Agreement shall be in writing and shall be deemed sufficiently given if delivered in personor sent by certified or registered mail.return receipt requested, postage pre-paid to the Party to be notified and addressed as follows:
