I, Toni B. Moore, understand that the septic system for my home on Weather's Creek Road (tax map #4GA14 - part of) has been installed partly in an area shown as a 25' right-of-way easement. I further unserstand that I assume all responsibility for removing/relocating parts of this septic system should this right-of-way ever be used for road access purposes.

Kimberly C. Russell

My Commission Expires May 13, 1995
Notary Public, Iredell Co.
