No Building permit shall be issued for a residential dwelling or a nonresidential principal structure until a grading permit has been issued. No land shall be graded for the purpose of construction of a residential dwelling or a nonresidential principal structure, until a grading permit has been issued by the County. The County shall collect such fees for the issuance of grading permits as are authorized by the fee schedule adopted by the Board of Commissioners.

In addition to obtaining the permit; the owner, building contractor, or other responsible party shall:

A. Control run-off as to not damage or adversely impact adjoining properties by providing silt fencing and stabilization or utilizing Low Impact Design (drainage swales, functional landscaping, etc.); and
B. Refrain from altering the general direction of the natural drainage flow.
