The signature above certifies the sewerage system has been installed in accordance with the provisions of the Rowan County Septic Tank ordinance and any other provisions specified on the Improvements Permit. It does not guarantee that it will always function properly. Malfunctions may be caused by deep ruts, improper surface drainage, faulty cut-off valves or excessive use of water or harsh chemicals.

The proposed / existing Shed 16'x24'
addition does not appear to impact the existing septic system.
