Application For Improvement Permit
Site Plan Form

INSTRUCTIONS TO APPLICANT: (Items in Parentheses are to be performed by the Sanitarian)

A. Provide a complete and accurate site plan of the property. Indicate the location of the proposed development and proposed system in relation to property lines, roads, streams, lakes, wells, and other pertinent features. Improvement permits and construction authorizations will be issued only when this site plan form is completed, signed, and attached to the application form.

As Close To Scale As Is Possible: 1. Draw in the proposed lot showing all proposed lot dimensions and orientation to proposed streets or roads. 2. Draw in the proposed structure showing dimensions and distances to property lines (include decks, walkways, etc.). 3. Draw in the proposed driveway location. 4. Draw in all wells, both existing and proposed, including those on adjacent property (if known). 5. Draw in any other structure (ie. sheds, outbuildings, pools, etc. which will occupy space on the proposed lot.

Scaled
