I need the number of bedrooms you have now, the number of occupants and the foundation type. Just so you know, there is a $500 fee for this.

Thanks,

Subject: Umbarger-Septic Permit application

Good Morning,

Attached is my application to have my existing septic tank checked. We may convert one spare room to bedroom so I would need to know what it will take to update the system if we go that route. Please email me back or call my cell if you have any questions or I didn't fill this out correctly.
