STATE OF NORTH CAROLINA
DEPARTMENT OF TRANSPORTATION

MICHAEL F. EASLEY
GOVERNOR

LYNDO TIPPETT
SECRETARY

June 16, 2008

COUNTY: Iredell

SUBJECT: Right of Way Encroachment Agreement
SR 1880

Mt. Vernon Baptist Church
145 Mt. Vernon Road
Olin, NC 28660

Attached is an approved Right of Way Encroachment Agreement covering the installation of a 5" encasement pipe and a 3" PVC Schedule 40 septic drain line under SR 1880.

The encroaching party shall comply with all applicable state and federal environmental regulations, and shall obtain all necessary state and federal environmental permits, including but not limited to, those related to sediment control, storm water, wetland, streams, endangered species, and historical sites.

Approval is given subject to provisions in the Agreement and attachments thereto which are made a part of the Agreement.

It would be appreciated if you would advise our District Engineer at (704) 876-3947 at least forty-eight (48) hours prior to the date of beginning work on installation of this encroachment. Furthermore, it will be necessary for you to notify the District Office in writing when work is completed on this installation.

The Department of Transportation does not guarantee the right of way on this road, nor will it be responsible for any claim for damages brought by any property owner by reason of the installation.

The North Carolina Department of Transportation is in the process of developing a Work Zone Traffic Control Qualification & Training program that will begin its implementation in 2009. This program will require qualified and trained Work Zone Traffic Control Installers on every traffic control installation (January 2010). It is intended for the program to include anyone working within NCDOT Right of Way including work associated with NCDOT construction and encroachment agreements as well as all NCDOT operations.

P. O. Box 47, Shelby, NC 28151-0047
Telephone: (704) 480-9020 Fax: (704) 480-5401

Training for this certification will be provided by NCDOT approved training sources and/or private entities that have been pre-approved to train themselves. Additional information will be provided as this program progresses. If you have questions, visit our website at www.ncdot.org/~wztc, or contact Meredith McDiarmid with NCDOT Work Zone Traffic Control Unit at 919-250-4159 or mmcdiarmid@dot.state.nc.us.

Respectfully yours,

M. L. Holder

M. L. Holder, P.E.
Twelfth Division Engineer
