Our Most Popular Cape Design

With it's large Living Room and open, flowing design, it's easy to see why The Bentley is one of our most popular homes. A well-planned island Kitchen with serving bar makes an ideal spot for casual dining, while the adjacent formal Dining Room is perfect for large gatherings of family and friends. Two Bedrooms each feature their own walk-in closet, and share a full Bath. Apart from the Bedrooms for added privacy, the spacious Master Bedroom features a walk-in closet, and Master Bath with dual sinks, soaking tub, and separate shower. Off the Living Room, an open staircase leads to a ready-to-finish Upper Level, where the possibilities to customize your home are nearly endless.
